In re Application of :  
Iiya M. Fishman, et al. :  
Application No. 09/416,081 :  
Filed: October 12, 1999 :  
Attorney Docket No. 99-01-US :

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed March 17, 2003, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." Petitioner is advised that this is not a final agency decision.

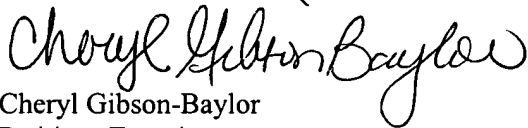

A grantable petition to revive an abandoned application under 37 CFR 1.137(b) must be accompanied by: (1) the required reply (unless previously filed), which may met by the filing of a continuing application in a nonprovisional application abandoned for failure to prosecute, but must be the payment of the issue fee or any outstanding balance thereof in an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof; (2) the petition fee required by 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) a terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)).

This petition lacks item (1) above. The issue fee has been received. There is, however, no indication that corrected formal drawings as required by the Notice of Allowability of November 6, 2002 have been submitted. Accordingly, this application cannot be revived until corrected formal drawings have been submitted.

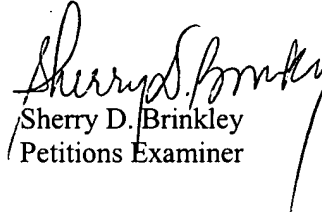

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. If the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement contained in the instant petition is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is **not** a correct interpretation of the statement contained in the instant petition.

Telephone inquiries concerning this decision should be directed to Cheryl Gibson-Baylor at (703)308-5111, or in her absence, Sherry D. Brinkley at (703)305-9220.

The application file is being forwarded to Office of Publications for further processing.
